

Make-up

Polymer wax for LVT, laminate, vinyl, resin and wooden floors

Cleaning &
Maintenance

Make-Up restores scratched and worn floors and brings them back to their initial beauty. Applied on the new laminate it enhances the color and depth of the design. It forms a water-repellent and foot-resistant protective film on the floor. Protects the surface improving its washability. Available in glossy version – Make-Up and in matte version – Make-Up Matt. For interiors only.

Make-up

Technical data 20°C – 60% u.r.

Aspect	White liquid
Density	1,00 kg/litre
pH	8
Light traffic	1 hour
Yield	About 20 m ² /litre
Application temperature	From + 5 to + 35 °C
Storage	24 months in original sealed packaging – Frost sensitive
Packaging	1 litre bottles

Instructions for use

Remove dust and impurities with a broom or vacuum cleaner. Wash the floor with a suitable cleanser using Pulito Parquet, Deteroil or Saniparquet and let it dry. Uniformly spread Make-Up on the whole surface with a damp microfiber cloth. On new floors a sole application is enough; on worn ones a second application might be necessary after about one hour.

Notes

Always use with a well-wrung mop or rag avoiding excess of water.
Shake before use.
Do not exceed the quantity applied.

Safety standards

PRODUCT FOR PROFESSIONAL USE. Strictly comply with what is stated on the labeling and consult the safety data sheet before using the product.

Disposal

Dispose of the unused product and empty packaging in accordance with the provisions of the local legislation in force.
