## ORDINARY MAINTENANCE

Remove dirt effectively

### SPORTFLOOR CLEANER

Cleanser for sports flooring

Sportfloor Cleaner: the specific cleanser for sports wooden flooring. Thanks to its excellent degreasing power, it allows to remove residues of grease or black and scuff marks. No rinsing needed. It does not leave streaks while respecting the surface.

#### HOW TO USE IT

**Normal soiling:** 2 caps in 5 liters of water.

**Stubborn dirt:** 3 - 4 caps in 5 liters of water.

- Wash the floor with a mop, a well-wrung rag or a cleaning machine

## EXTRAORDINARY MAINTENANCE

Win your games against stubborn dirt

### SPORTFLOOR CLEANER N2

Highly concentrated alkaline cleanser for sports flooring

Sportfloor Cleaner N2: the alkaline cleanser with high concentration for intense cleaning of sports floors. Its high degreasing power allows to eliminate effectively even the most persistent dirt.

#### HOW TO USE IT

- Pour 4 caps into 5 liters of water
- Wash the floor with a mop, a well-wrung rag or a cleaning machine
- Let it act for a few minutes
- Rinse with clean water
- If necessary, repeat the operation

## RESTORING ANTI-SKID PROPERTIES

Make surfaces safer for your athletes

### SPORTFLOOR GRIP&CLEAN

Anti-skid solution for sports flooring

Sportfloor Grip & Clean: improves the anti-skid properties of the surface. It is recommended for the preparation of the playing field before a game and to improve the grip of the players' shoes. Also ideal for dance floors.

#### HOW TO USE IT

##### On the playing field

- Wash the surface with Sportfloor Cleaner or, in the case of more intense dirt, with Sportfloor Cleaner N2
- Pour 2 caps of Sportfloor Grip & Clean into 5 liters of water
- Apply over the entire surface using a well-wrung damp cloth
- Rinsing not needed
- Avoid excess or stagnation of product on the floor which could lead to an increase in slipperiness

##### On players' shoes

- Pour pure Sportfloor Grip & Clean onto a damp towel
- Rug the soles of the players' shoes periodically during the game

## REMOVAL OF STICKY RESIDUES

Discover the perfect solution after races and events

### SPORTFLOOR REMOVER

Sticky residue cleaner

Sportfloor Remover: removes particularly persistent traces of dirt and sticky residues, like the ones left by adhesive tape after events, of walkable stickers used for advertising purposes or the anti-skid strips on steps and terraces.

#### HOW TO USE IT

- Pour or spray the pure product on the surface
- Distribute it with a soft cloth
- If necessary, let it act for a few minutes and then repeat the operation
- No need to rinse
- Then wash the floor with Sportfloor Cleaner
