Sportfloor Grip

Water-based two-part sealer for UV prefinished sports flooring

Sportfloor Grip is a two-part water-based sealer for sports wooden floors. Very easy to apply, its formulation ensures a perfect adhesion of marking paints and finishing products on prefinished supports. It is quick drying, does not need sanding and can be overcoated with water-based lacquers.

Sportfloor Base 1K

Water-based one-part sealer for unfinished sports flooring

Sportfloor Base 1K is a one-part water-based sealer to be applied as a first coat on large surfaces; it is very easy to apply and sand and does not change the original aspect of the wood. Its adhesion with further finishing products is excellent.

Sportfloor Color

Water-based two-part paints for game lines and areas

Sportfloor Color is a two-part paint suitable for lines and area marking. The main features are a high covering, a good elasticity and excellent adhesion properties on wooden surfaces. Available in all RAL colours on request.

Sportfloor Finish

Water-based two-part lacquer for wooden sports flooring

Sportfloor Finish is a water-based two-part lacquer certified according to FIBA standards and EN 14904 norm for sports flooring. It is very easy to apply on large surfaces and particularly suitable for heavy wear and intense traffic.

It also keeps the original colour of the wood unchanged. Compliant with the EN 13036 anti-slip standards, EN ISO 5470-1 wear resistance standards, EN 13036-4 mirror shine standards.

Maxima 2K Sport

Water-based two-part lacquer for sports flooring

Maxima 2K Sport is the 100% polyurethane two-part water-based lacquer certified for wooden sports flooring according to EN14904 standard. Extremely resistant to very high traffic, it is much easier to use on large surfaces and it keeps the original wood colour. In accordance with anti-slip EN 13036 standard.

Firestop

Water-based two-part lacquer Resistant to fire and wheels of roller skates

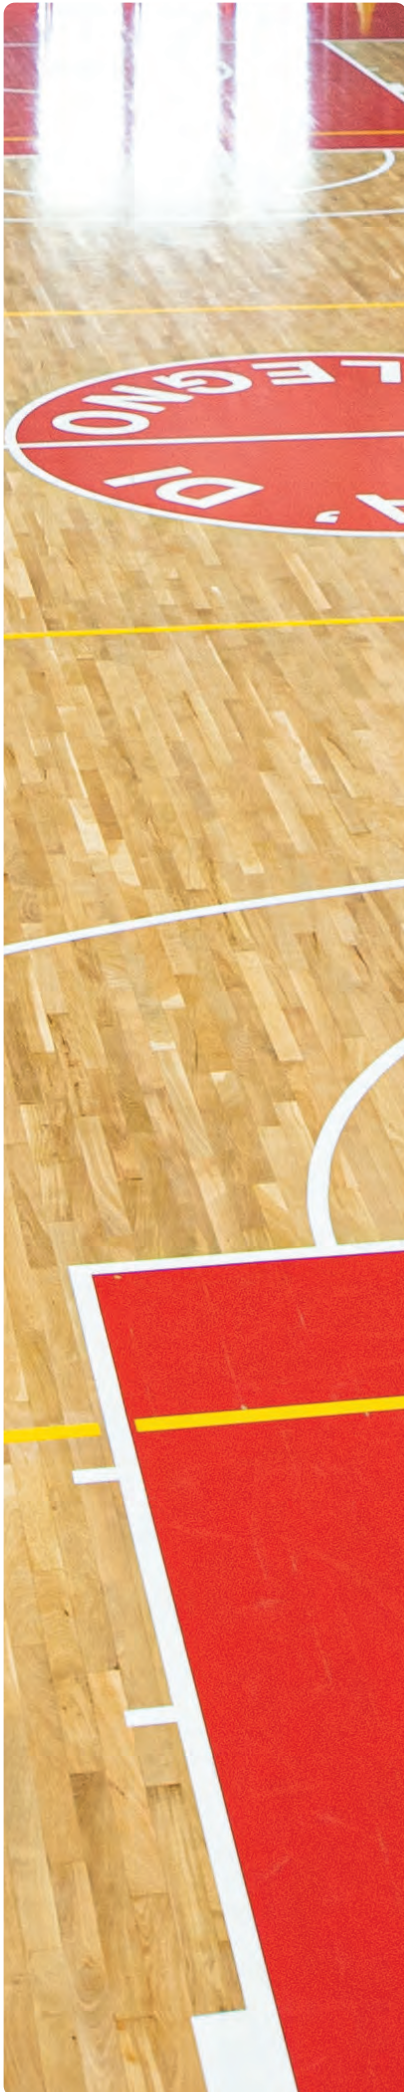

Firestop is a water-based two-part fire retardant lacquer for on site or industrial application. Classified Cfl-s1 fire resistance according to the EN 13501-1 European standard, on any wooden species. Highly resistant to intense traffic, easy to apply, in compliance with EN 14904 and FIBA standards for sports floor finishing. Available in matt version.

FIRESTOP.
FIRE RETARDANT
AND SUITABLE FOR
HIGH TRAFFIC.

Cleaning of sports floors

Sportfloor Cleaner

Cleanser for sports flooring

Sportfloor Cleaner: the specific cleanser for sports wooden flooring. Thanks to its excellent degreasing power, it allows to remove residues of grease or black and scuff marks. No rinsing needed. It does not leave streaks while respecting the surface.

Sportfloor Cleaner N2

Concentrated detergent for heavy dirt

Sportfloor Cleaner N2: the alkaline cleanser with high concentration for intense cleaning of sports floors. Its high degreasing power allows to eliminate effectively even the most persistent dirt.

Sportfloor Remover

Sticky residue cleaner

Sportfloor Remover: removes particularly persistent traces of dirt and sticky residues, like the ones left by adhesive tape after events, of walkable stickers used for advertising purposes or the anti-slip strips on steps and terraces.

SPORTFLOOR GRIP & CLEAN

Anti-slip solution for sports flooring

Sportfloor Grip & Clean: improves the anti-skid properties of the surface. It is recommended for the preparation of the playing field before a game and to improve the grip of the players' shoes. Also ideal for dance floors.
