### Sportfloor Grip

**Two-part water-based sealer for UV prefinished sports floors**

Two-part sealer for sportive wooden floorings. Very easy to apply, it has been formulated to ensure a perfect adhesion of marking paints and finishing products on prefinished floors.

### Sportfloor Base 1K

**One-part water-based sealer for unfinished sports floors**

One-part sealer to be applied as first coat on large surfaces; it is easy to apply and to sand and does not change the original aspect of the wood. Its adhesion with successive finishing products is excellent.

## Sportfloor Color

Two-part water-based paint  
for game lines and areas

Two-part paints suitable for lines and areas marking. They have both high covering and excellent adhesion properties on wooden surfaces. Available in many colours.
