

Pulito Parquet

Neutral detergent for cleaning and maintenance of wooden floors

Pulito Parquet is a neutral detergent based on coconut soap and hard waxes. It is particularly suitable for the frequent cleaning of lacquered, oiled and waxed wood floors. In addition to its cleaning action, it revives and protects the wood thanks to its wax content, releasing a pleasant fresh scent in the room. Suitable for cleaning both domestic and commercial environments. Pulito Parquet does not require rinsing, dries quickly and is streak-free; after a few minutes it can be walked on. Also available in the ready-to-use version under the name Pulito Parquet Ready.

Technical data 20°C – 60% u.r.

Appearance	Blue liquid
Density	1,00 kg/litre
pH	7
Recommended amount of use	120 ml in 5 litres of water (3 caps)
Storage	24 months in original sealed packaging – Protect from frost
Packaging	Pulito Parquet – 1 litre bottles Pulito Parquet Ready – 4 litres cans

Instructions for use

Before washing the floor, remove dust and impurities with a broom or vacuum cleaner. Pour 3 caps of detergent in 5 litres of water, in case of intense dirt use 4 – 5 caps in 5 litres of water. Wash the floor with a well-wrung mop or rag. No need to rinse. Alternatively, you can apply it with the Cinderella spray-mop, diluting a cap in a water tank. You can also use it with a floor washing machine.

Notes

- Shake before use.
- Do not exceed the recommended ratio for dilution and do not exceed the quantity of product applied.
