

Tovclean

Wipes for hand and wood floor cleaning

Non-woven fabric wipe, slightly abrasive on one side and soft on the other, soaked in a cleaning solution that removes all types of heavy dirt (adhesives, lacquers, etc.) from the hands. Tovclean wipes offer a practical and quick way to clean hands without water, wherever you are. They contain an antibacterial agent that enhances their cleaning action. They are also particularly suitable for removing adhesive residues from wooden floors.

Packaging: Pots containing 80 wipes.

Instructions for Use

Take a wipe from the pot and rub it between your hands or over the surface until the dirt is removed.

Notes

When using Tovclean wipes to remove adhesive residues from prefinished wood flooring, avoid scrubbing too vigorously to prevent damaging the finish.

Safety Rules

Avoid contact with eyes and sensitive areas. Keep out of reach of children. Do not ingest. For further information, request the safety data sheet.

Disposal

Dispose of unused product and empty pots in accordance with local legislation.
